

Teaching Personal Finance: Understanding the Basics

A Professional Development Workshop for Teachers K-12

Teaching financial literacy? Implementing personal finance and financial literacy classes in your school? This 5-hour workshop will provide an understanding and overview of the core content and subject areas involved in teaching personal finance in grades K-12 and an overview of Standard 9.2. Learn about the financial information content and key messages for students for students of all grade and skill levels. Become a more informed teacher and consumer.

9:30AM – 3 PM
